Aggregated Total Suppressed Counts	51	\$170
<b>Total</b>	<b>189,181</b>	<b>\$195</b>

*statewide average*

**Special Information:**

Dataset includes 'Total statewide 60 y/o & above single households'. This is an aggregated total that includes values that were suppressed. Also included in the metadata dictionary.

Aggregated total SNAP Household counts below 11 were suppressed and labeled as "Aggregated **Total Suppressed Counts**" in the data table to protect privacy. The aggregated total suppressed counts were included in the overall total. Any instance where "**Blank**" appear as a value for aggregated counts for city/town suggest suppressed values and those values were included in the Suppressed Statewide counts.

The dataset also includes the average SNAP benefit for all aggregated total suppressed statewide counts.
